

Part time Permanent Pastor Northern Lights MCC (UK)

Northern Lights MCC (Newcastle-upon-Tyne, UK) is seeking a part-time permanent church leader ('pastor'). They will be a transformational leader serving this vibrant and developing congregation. They will help us grow spiritually and in reaching new members whilst maintaining our welcoming, inclusive and family atmosphere. They will support the many and varied ministries which are being undertaken, ensure we are appropriately equipped for these ministries, and challenge us to expand them, in order to spread Christ's message of inclusion and liberation.

Northern Lights MCC is part of a world-wide denomination, the Metropolitan Community Church (www.mccchurch.org) which has its foundation within the LGBT community and is dedicated to preaching the inclusive love of God for all people. Whilst we continue to have a key mission within the LGBT+ community we are not limited and aim to be a welcoming, inclusive and open Church family for all. In seeking our new 'pastor' we are looking for someone who is able to lead us to our next stage of development. We are looking for someone who is already ordained (not necessarily in the MCC church) or a lay person with the required skills and experience and who has a passion and calling to work with us.

We are an active Church with a belief that all members have a role to play in worship and leadership. We have ministry teams for worship, music, welcome, AV and refreshments.) We also have a family service once a month and regular all-age services as part of our commitment to our broad community and membership.

For further information and an application form please contact treasurer@northernlightsmcc.org.uk. You can also find out more about us at our website (www.northernlightsmcc.org.uk)

Closing date: Update 3rd May 2019
